Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

1. Attorney Bill Hunter called to review amendment to the claims filed after final and the advisory mailed on 8/27/2007
2. The applicant discussed the amendment to claim 1 that comprise "an error correction circuit responsive to the detector and the averaging circuit to provide a signal quality metric that governs which signals are averaged" This limitation was cited in claim 7 and imported into the independent claim 1
3. the Examiner noted that this amendment require further examination and directed the applicant to col. 5, lines (25-40) in Rothberg that discloses substantially the same.
4. The Examiner advised the applicant that amendments to the claims filed after final shall not be entered.
